EDUCATION

Rutgers Coding Bootcamp Somerset, NJ
Certificate, Full Stack Web Development 2016 - 2017

Rutgers University New Brunswick, NJ
B.S. Chemical Engineering 2008 - 2012

SKILLS & INTERESTS

- Skills: Node, Express, JavaScript, jQuery, GIT, Github, MySQL, MongoDB, React, Mongoose, Sequelize, Meteor, HTML, CSS, Bootstrap, Materialize, Handlebars, APIs, JSON, AJAX, command line, computer science fundamentals
- Interests: Live music, sports, statistics, cooking, fitness, and technology

APPLICATIONS BUILT

TRAIN SCHEDULE Somerset, NJ
Developer September 2016

- Created train schedule using HTML, CSS, and jQuery in which user can input a new train
- Stored all train info into Firebase, which was then manipulated with Moment.js to provide ETA for each train that is created.
- <https://github.com/muhammeta7/Train-Schedule> / <https://ma-train.herokuapp.com>

SEQUELIZED BURGER Somerset, NJ
Full Stack Developer November 2016

- Used Sequelize ORM to create an app that allows users to add new and devour existing burgers to a MySQL database.
- Structured files in MVC format and used Node, Express, and Handlebars to render stored data onto HTML page.
- <https://github.com/muhammeta7/seqBurger> / <https://burgersequelized.herokuapp.com>

MONGO SCRAPER Somerset, NJ
Full Stack Developer December 2016

- Used Mongoose ORM to create an app that web-scrapes sports articles from the New York Times and stores them into a MongoDB. For each article that is scraped, MongoDB stores the title, a brief summary, and a link to the full article.
- The stored articles are then rendered on screen using Handlebars. The user can add comments and view other users' comments.
- <https://github.com/muhammeta7/Scrapper> / <https://nytsports.herokuapp.com>

METEOR PICTURE PERFECT Somerset, NJ
Full Stack Developer December 2016

- Used Meteor/Blaze/Iron Router to create app that takes photos and lets you vote on then similar to Reddit.
- Used Materialize and SASS for Frameworks
- <https://github.com/muhammeta7/Meteor-Picture-Perfect>

RELEVANT WORK EXPERIENCE
